February, 2019

Did You Know?

Earlier this month, EGS attended the 2019 National 8(a) Small Business Conference in Nashville, TN.

With our recent admittance into the 8(a) program last May, the EGS family was ecstatic to partake in the premier supplier diversity event for small businesses. The conference allowed EGS to participate in educational sessions, matchmaking, and networking events.

Here at EGS, we continually aim to connect, empower, and employ others. When we participate in conferences like the National 8(a) conference, as a company, we learn and grow so we can better serve you, our employees. Through our participation, we increase our knowledge and understanding of the industry as it relates to the federal government. As always, the EGS Family is excited for everything that is in store for 2019!

Candidate Referral

Don't forget! EGS has a **\$500** referral bonus for eligible candidates. Please reach out to Britni (Britni@egs-partners.com) for specifics.
