### Did You Know?

Back in November, EGS was recognized by the U.S. Department of Labor as a **HIRE Vets Medallion Award** recipient for our commitment to recruiting, employing, and retaining America's veterans. Our company earned the **Gold** Medallion Award, and is one of only 239 recipients this year.

The HIRE Vets Medallion Program is the only federal-level award for veterans' employment. Recipients of the 2018 HIRE Vets Medallion Program Demonstration Award were evaluated on several criteria, ranging from veteran hiring and retention to providing veteran-specific resources, leadership programming, dedicated human resources, and compensation and tuition assistance programs.

We're proud to be recognized with this award, and hope your share in our excitement!

### Happy New Year

Cheers to 2019! Thank you for all the incredible work you do. We truly care about the well-being, health, and progress of our employees.
